GUEST SPEAKER: Susan Wallace

Susan Wallace's life is one of enduring through many peaks and valleys. She met her husband and believed the marriage would last a lifetime. After 22 years, he walked away, leaving her with two young teenage boys, little money and only a part-time job. Susan spent much of her free time in front of the Blessed Sacrament at St. Elizabeth Ann Seton's Chapel. With the Lord's help, she now operates a successful business and put her two sons through college. Susan comes to us originally from Buffalo, NY and was baptized in the Holy Spirit in 1998. Come here how she now serves the Lord, and how each one is carried through life's seemingly most difficult times. Bring your family and friends. *Be encouraged and be set on fire for the Lord.*

Christian Women In Action
A Ministry to Catholic Women

From the desk of Stella Davis, President

"When He sent the multitudes away, He went up the mountain to pray..." (Matthew 14:13-23)

My dear friends in Christ Jesus, the peace of the Lord be with You! I am writing to you from the top of the Blue Ridge Mountains. How beautiful is the Lord's creation! I see the deer roaming around, the clouds so close to us, and the beautiful wildflowers are in their glory! I see the wild ducks and geese enjoying the ponds of water. At night I see the bright stars and the moon shining in its fullness. His peace, His love, and creation is felt all over the mountains. Isn't this what the Lord intended it to be at the beginning of life? But, we have made it a place of troubles and sorrows, a place of fearing creatures.

In Matthew 14: 13-23, Jesus himself practiced retreating forward after a busy day of ministry in the region of the Sea of Galilee. When He sent the multitudes away, He went up the mountain by himself, to pray. When evening came He was alone in the presence of the Father.

In this fast-paced get-ahead world, it is easy to wear ourselves down, pressing ahead and moving forward at all costs, but even in our desire to be effective Christians, we must consistently be willing to retreat into God's presence. Only in the refreshing of His strength can we find the resources to move forward to face life's many challenges and overcome each test. The Lord tells us to take the time to stop, to pray, to rest. Alone with the Father is the only place to find the strength to press on, to walk in fellowship with Christ and sense His presence. His love - so deep and true - brings to the soul it's highest joy as nothing in this world can do!

My husband and I are very blessed to have had the opportunity to spend a week on top of the Blue Ridge Mountains - a time to refresh our bodies, minds, spirits, and souls with our Lord and each other - to slow our busy lives.

What a challenge to be able to shift to low gear and slow ourselves down to quietly hear the Lord and His thoughts. I heard Him say “*The closer you walk with me, the less room for anything to come between us. The Great Physician holds the cure that kills the virus of our sin; It's by His own atoning blood that we're made whole and pure within. Sin is the disease, Christ is the cure.*” Lord, help me to make my witness clear and labor faithfully, so my brothers and sisters turn to Christ through what they hear from me!

Remember, the best place to witness is where God has placed you today! May God be praised!

Your servant in Christ,

Stella
